PREFACE

ARMS CONTROL: A SELECTED BIBLIOGRAPHY, now in its second edition, includes recently published books, documents, videos, and periodical articles which are readily available in the US Army War College Library. Researchers may also wish to consult the previous edition, compiled May 1984, which covers similar publications received in the Library prior to that date.

For your convenience, we have added AWC library call numbers at the end of each book entry (keep in mind that call numbers will vary from library to library).

For additional information, please contact the Public Services Branch, US Army War College Library, AUTOVON 242-3660, Commercial (717) 245-3660.
